

MICHAEL J. HURNEY
CITY PROSECUTOR

DIRECTIONS FOR PRO-SE LITIGANTS **Requesting a Disposition Offer Packet**

(Use these directions if your ticket is not “plea and pay” eligible on CaseNet or there is no pre-established fine.)

Do NOT use these directions if you are represented by an attorney. Contact your attorney for guidance.

If you have chosen to represent yourself through the court process, you are expected to follow many of the same rules as if you were an attorney representing a client. This information has been compiled to assist you in receiving a Disposition Packet.

This process is not for requesting a formal prosecutor’s review. It is not for requesting an amendment offer for your charges.

If you are unable to complete these steps by yourself, decide not to, or need legal advice, DO NOT contact the prosecutor. He cannot offer you legal advice. Your best option would be consult legal aid or a Missouri attorney of your choosing.

Directions: Some charges do not have a pre-established fine and/or do not appear online as “plea and pay” eligible. If your intent is to pay your fine, you will need a disposition packet from the prosecutor. To receive this packet, email the following information; use the subject line “Disposition Packet Request”. In your message, include your name, contact information, ticket number, and a short explanation. Send the email to the City Prosecutor at: CityPA@OzarksLG.com NOTE: this process will never amend your charges. It is not a request for a formal review. By emailing in this manner, you are simply requesting the paperwork so that you can plead guilty and take care of your case out-of-court.

Warning: Once a Disposition Packet is issued, you will not be eligible for further case reviews and you must appear in court (unless you follow the packet directions before your court date).

If your intent is to request a formal review of your case, this is the incorrect process. Please re-review the directions on the website.
